1/2-ton 6 1/2-foot pick-up—3/4-ton and 1-ton 8-foot pick-ups are also available

## First trucks to offer you gas-saving overdrive\*

MAKE sure of long-lasting, long-range operating economy! Get Studebaker's thrifting-assuring overdrive transmission, if you are thinking about buying a new half ton or three-quarter ton truck.

This revolutionary Studebaker forward step in truck engineering is extra cost—but it starts paying its way right away in extra thrift.

First trucks to offer gas-saving, engine-saving overdrive, these husky new Studebakers are also first with real "lift-the-hood" accessibility to

engine—ignition—and instrument panel wiring!

They're America's first trucks, too, with variable-ratio extra leverage steering for easier turn-arounds and parking—first trucks with a twist-resisting K-member frame up front.

Get a full measure of value for your money. Stop in and see the new Studebaker trucks.

## STUDEBAKER TRUCKS

Noted for low cost operation

\*Optional at extra cost on 3/4 ton and 1 1/2 ton models

Sizes and wheelbases for hundreds of hauling needs! Studebaker trucks come in 1/2, 3/4, 1, 1 1/2 and 2 ton models. Two great truck engines—the high-efficiency Econ-o-miser—and the high-torque Power Plus.

Amazing all-weather comfort! Studebaker's Truck Climatizer, available at extra cost, thoroughly heats and ventilates the roomy cab. Window wings and foot-controlled floor ventilators are standard.

Low cab floor and enclosed safety steps—automatic door stops and tight-gripping rotary door latches, too. Two arm rests and sun visors. Dual windshield wipers. Metal-lined doors and dash compartment.

Big-visibility windshield, side windows and rear window! Powerful brakes and rugged, easy-riding springs. Automatic spark control includes gas-knock eliminator. © Studebaker, South Bend 27, Indiana, U.S.A.

—SECOND SATURDAY IN SEPTEMBER—

## From the Editor's Pen .....

This issue is a combination of July/August (Summer) and September newsletters due to various snags the past couple of months but we should be on schedule from now on. We still have an opening for a new editor; please know I will assist anyone who is interested in trying their hand at creating a monthly newsletter for the Chapter. There are many options for getting it done and we can talk about them. You will need a computer, word processing/publishing software and time each month for your creation.

For your leisure time enjoyment you will find a Studebaker crossword puzzle on page 14 along with the answers. Then, you can tackle the Studebaker quiz on page 6B and submit your answers for a chance to win a fun Studebaker prize. Enjoy!

Please remember the Chapter and SDC web sites have resources for your benefit. Check out the Chapter site for a calendar of events, links to other Studebaker sites, membership information, current and past issues of the newsletter and more. The SDC site has the digital *Turning Wheels* available as well as membership renewal in the Member Area, information about Zone and Chapter meets and a great deal more.

Thanks to this issue's contributors - Michell East-

burn, John Rodhouse, Dan Kuhl, Tim Phillips, Scott Grainger, Steve Fein, Malcolm Stinson, Pete Yuen, Karen Dyer and Sue Urich.

Happy Studebaker Driving, *Chris*

THE  
**Studebaker**  
DRIVERS CLUB INC.

### Reminder: To be a member of the GCSC you must be a member of the Studebaker Drivers Club.

If your SDC dues are not current, please visit <https://sdc.cornerstonereg.com/> to renew. Dues are \$46.00 for one year, \$132.00 for three years or \$220.00 for five years. If you no longer wish to receive *Turning Wheels*, there is a membership option without the magazine at \$15.00 per year.

Additionally, you can now get a membership with the digital *Turning Wheels* only for \$29.00 per year. If you haven't read a digital version of *Turning Wheels*, give it a try at the Member Area of the SDC website. Just login, enter your membership ID and password and select View Digital Magazine. Try it, you'll like it!

The ECHO is the official newsletter of the Grand Canyon State Chapter, SDC and is published 11 times per year. Contributions are welcome and encouraged. Please submit articles, tech tips, etc. by the 20th of the month preceding publication. Other newsletter editors are welcome to use any material with proper credit given.

# STATE OF THE CHAPTER

By Michell Eastburn, President

As Studebaker owners we all need to be proud of what we have. Not all of us have 'show' Studes, not all of us even have running Studes, but nonetheless, we are all proud Stude owners. Like most of you, I have Studebaker in my blood, have since the day I was born and I will always defend, support and promote the driving, towing, pulling, and showing of Studebakers. I encourage all of us as Studebaker owners/drivers/enthusiasts to always support those who enjoy the hobby and teach those who want to learn.

It's hard to hear people say they didn't attend an event because "my Studebaker isn't running right now"; that is never an excuse to not join in the camaraderie of monthly chapter events. Our chapter is about more than just show cars, our chapter is about Studebaker enthusiast coming together for the common love of Studebakers.

The second Saturday in September, the 14<sup>th</sup>, is International Drive Your Studebaker Day! I encourage all members to take a second look at your Stude this day, clean it up, drive it, push it out into the driveway, tow it out to the chapter event, and show your Studebaker pride extra on this day! We will be gathering at the Martin Auto Museum to enjoy our Studebakers in the parking lot, and enjoy more Studes inside the museum, along with several other beautiful cars, trucks, tractors, bikes, etc. Of course, we will also be meeting for lunch at Pullanos Pizza just down the street after our museuming.

As we welcome back our seasonal members we will be at the Orphan Car Show with the Hudson Club in October and embarking on a day trip to Tortilla Flat in November. The Board is excited to gather back up after our long hot summer break!

Until I see you again, please stay hydrated, with more water than spirits, of course!

# WELCOME

## REMEMBRANCE .....

**George Stout**, an active member before he became ill, passed away at age 89 on June 25th. He and his wife Judy were avid Hudson owners and joined the Chapter when they purchased a 1963 GT Hawk. Then later, after selling the GT, they became the owners of one of Malcolm's many Studebakers, a pretty 1960 Hawk.

We have missed seeing the Stouts at events the past couple of years and send our condolences to Judy and family for their loss.

~~~~~  
 A letter from the Studebaker National Museum was received thanking the Chapter for its memorial donation in memory of **Jon Follendorf**.

## Thoughts and Well Wishes to

## CHAPTER ELECTIONS

The election for 2025 Chapter officers and board members is upcoming and members who are willing to serve are invited to volunteer now for a position. Let a current member of the board or an officer know your desire to serve as an officer or board position and help shape the direction of the Chapter. Thank you!

# COMMEMORATIVE AIR FORCE MUSEUM

Photo courtesy of Steve Fein.

On June 15<sup>th</sup> we took a step back in time to see what it was really like to be a part of the United States Air Force during times of combat. Chapter members got up close and personal with real war-time planes, artifacts and stories at the Commemorative Air Force Museum at Falcon Field. We were split into two groups and led by different Docents on guided group tours for an educational experience covering 100 years of military aviation. We toured for approximately one hour covering key events from World War One to the Vietnam War, the mission briefing room, gallery, aircraft maintenance and restoration hangar.

A few Studebakers and other classics were in the parking lot while we toured and then we caravanned over to Waldo's BBQ on Main Street for some yummy BBQ in their friendly down home atmosphere. Thank you to all of those who came out to learn about other

forms of transportation, even if we didn't get to see the Studebaker motor in the B-17 Sentimental Journey.

Those in attendance were Dennis Lynde & Linda Saar (1963 GT Hawk), Adam DeRosa (1972 Avanti II), Garry Klinger (1952 SLC), Gary & Sandie Keating (1934 Street Rod), George Gezelius (1972 T-Bird), Gordon Cox (1955 Ford Pick-up), Larry Polhill & two guests, Steve Fein, John Rodhouse with Callan and Ainsley, Michell Eastburn, Bill & Peggy Eastburn with guests Del & Vicky Wamsley and Deacon, John Kroulik & Christine, Keith Graham. ~ Michell Eastburn

### HAND CART

**Maker:** Studebaker Bros. Mfg, South Bend, IN  
**Donor:** Rodney and Mae Kirkbride, Cheyenne, WY

This small cart was pushed or pulled by hand. Such carts were popular because they were so versatile. Hand Carts could be used outdoors or inside large buildings and were favored by merchants, manufacturers, and farmers.

Some models had a stand, or small wheel, mounted under the box to add stability.

This cart was purchased in Cheyenne from Roedel's Hardware Store Circa 1900.

Photos courtesy of Tim Phillips who saw this cart while visiting the Cheyenne Old West Museum.

## UPCOMING CHAPTER EVENT

### International Drive Your Studebaker Day

When: Saturday Sept 14<sup>th</sup> 2024

Time: 9:00am at the Museum, 11:00am for Lunch

Locations: Martin Auto Museum and Event Center (MAM) 4320 W. Thunderbird Rd., Glendale  
Pullano's Pizza, 13848 N. 5st Ave., Glendale

What a better way to enjoy IDYSD than to share our wonderful Studebakers among other Studebakers and lots of car enthusiasts. The MAM features more than 170 vehicles, including classic cars, hot rods, customs, imports, and even a few Studebakers. It also has one of the largest collections of auto memorabilia, antique gas pumps, and signage anywhere. Kids can enjoy the carousel, or a variety of driving and racing games.

Members will gather at 9:00 for a parking lot car show at the Martin Auto Museum, NW corner of Thunderbird Rd. and 43rd Ave., and a visit to the museum at their leisure. We will then meet for lunch at Pullano's Pizza, 13848 N. 51st Ave., Glendale (in the Plaza on the NW cor-

ner of Thunderbird Rd. and 51st Ave.) at 11:00 and a meeting, as needed. Please RSVP to Peggy at peggyearstburn@hotmail.com or 623-936-6116 by September 12th if you plan to have lunch. Drivers will be entered to win an awesome prize!

Admission to the Museum is \$15 general, \$12 seniors (62+), \$5 kids 6-12, Free kids 0-5. A 4% technology fee is charged when using a credit/debit card; bring cash if you wish to avoid the fee.

For more information contact Peggy. See above.

Visit the Chapter Facebook page Studebakers Grand Canyon State Chapter to add Chapter events to your calendar.

### BUGS ON RADIATOR By Pete Yuen

Let's talk about what your Studebaker may encounter with bugs as it is driven and some of them will be found on the radiator. A few bugs may not affect the cooling but if there are a lot of bugs it will affect the cooling as they are blocking the air flow through the radiator. To remove the majority of bugs use compressed air, blowing from the engine compartment through the radiator.

Some owners use a screen in front of the radiator to catch the bugs. If the screen can be easily removed it can be cleared of the bugs by using a brush.

## Raymond Loewy's Spanish-Style Garlic Shrimp

Serves 6

- 1 lb uncooked jumbo shrimp, peeled and deveined
- 4 tbs butter
- 1/2 tsp salt
- 2 cloves garlic, finely chopped
- 1 medium jalapeno pepper, seeded and finely chopped
- 1/4 cup chopped fresh cilantro
- 1 tbsp fresh lime juice

Directions:

1. In a 12-inch non-stick skillet, melt 1 tbsp butter over high heat and cook shrimp with salt for 2 minutes or until shrimp are almost pink, turning one. Remove and set aside.
2. In same skillet, melt remaining 3 tbs of butter over medium-low heat and cook garlic and jalapeno pepper, stirring occasional for 1 minutes. Return shrimp to skillet. Stir in cilantro and lime juice, heat for 30 seconds or shrimp turns pink.

Increase ingredients if serving as appetizers.

Reprinted from Spring/Summer 2023 issue of *Avanti Magazine*, Lew Schucart.

## ORGAN STOP PIZZA

Submitted by Scott Grainger

Maria and I and Toto attended the annual pizza and fun event at the Organ Stop Pizza on Sunday, 14 July. We had a wonderful time. It was a real treat walking into that cold lobby after our rather warm drive across the few miles of Mesa to get to the pizzeria! Got to work on the A/C in Toto one of these years. It has been 20 years since I drove Toto home from Kansas! Time really does fly when one is having fun!! Maria and I have commented on that too as we get close to our 1<sup>st</sup> wedding anniversary!!! It is just a few months away.

There were two hot Studes in the parking lot, Gary and Sandie Keating's '34 Commander and our '46 Toto, M16-52 truck. If we missed any others, sorry, we were hot footing it to the cool lobby and may have missed going down your row.

Well, back at the organ-a-torium! I think the pizza may be getting a bit better and thanks to Richard Dormois and Claudia I noticed there was an ice cream counter in the lobby now! They were wandering about with very large portions waiting for their chance to talk to Santa. We were sure glad to see Richard feeling so much better! We did visit with a handful of other old friends as we found seats facing the organ grinder who was doing a fantastic job! John Kroulik, Keatings, Michell, Peggy and Bill Eastburn, Dennis Lynde and Linda, John Rodhouse, Richard D & Claudia and many others but didn't get a chance to say hi. We hung out for dinner and ice cream and it was all good.

### 2024 INTERNATIONAL SDC MEET

GCS Chapter and other Arizona SDC members attending the SDC Meet were Russ & Sharon Ware, John L. Lewis, Larry Polhill and guests, Ed & Linda Costell, Frank & Elizabeth van Doorn, Ed & Linda Smith, Harold & Deanna Manley, Stuart Tritt, Bob & Mimi Halgren, Malcolm J. Stinson, John & Marilyn Cornfoot, Jim Hill, Ric DiOrio, Bob Miles, Paul Storm and Chuck & Chris Collins. (My apologies if anyone was missed.)

Stuart Tritt drove his 1984 Avanti from Nebraska to the meet, Harold and Deanna Manley brought their recently restored 1932 Commander for judging and display, the Halgrens trailered their 1924 Light Six Touring car and the Smiths brought their '51 Pickup.

There were 473 registrations and 954 attendees. Ninety eight Studebakers were registered to be judged and 100 for display only.

To see a video of the Studebakers at the 2024 SDC Meet visit:

<https://www.facebook.com/StudebakerDriversClubInc/videos/733066758839359>

*Keep America Beautiful,  
Drive a Studebaker!*

Attendees were Scott and Maria Grainger (Toto), Gary & Sandie Keating (1934 Street Rod), Gregg & Kimberly Lea, Jim Clever with guests Marilyn Clever and Marylou & Paul DelVecchio, Jim & Gerry Carr, Linda Saar & Dennis Lynde, Bob & Carol Westfall, John Rodhouse, Claudia Robinette, Richard Dormois, John Kroulik & Christine with 3 guests, Kolton Kroulik, Makenna Kroulik, Michell Eastburn, Bill & Peggy Eastburn and guest Ed Delvin who recently purchased a Power Hawk.

### STUDEBAKER QUIZ

Answer the quiz questions below and mail or email your answers to the editor.\*\*\* Entries with correctly answered questions will be entered in a drawing for a swell Studebaker prize.

1. What Studebaker model had arm rests outside of the doors?
2. What was unique about the two vehicles Studebaker made in 1909 to carry Senators from Senate to offices via a tunnel?
3. What model pushed the Loewy name into the spotlight?
4. What model in the late 1950s was advertised as full-size on the inside and compact on the outside?
5. Who bought the first Light Six produced?

\*\*\* See addresses on page 2. Deadline to enter is September 20th. Quiz questions courtesy of Sue Ulrich.

## 60TH INTERNATIONAL SDC MEET

Studebaker Drivers Club members were treated to a very enjoyable International SDC Meet hosted by the Iowa Hawkeye Chapter in Dubuque, Iowa, June 25 to June 29. The swap meet, judging, concours, watch/toy display and judging, seminars, meetings, auction and band practice and concerts were held at the Dubuque County Fairgrounds, 4 miles from the host hotel. Driving tours, including the Field of Dreams, took members to interesting attractions nearby, and the SDC Board Meeting on Wednesday and Ladies Luncheon on Thursday were held at the host hotel, Best Western Plus Dubuque Hotel.

The first day, Tuesday the 25th, was vendor set up with members Russ and Sharon Ware and Chuck Collins setting up their sale items in the 4-H building while Chris Collins, Deanna Manley and Linda Derbidge were busy readying their display for the Studebaker National Foundation in the Ballroom building. A welcome feature in the Ballroom building was the availability of a café which was well utilized by the vendors and shoppers.

Adjacent to the vendors was the space used for the Welcome Night on Wednesday and the Banquet on Friday evening. Both events featured live music which was highly enjoyed. Another live music event was the performances of the Studebaker Band in which

Deanna played her French horn and Glen Shull, the director, made his final appearance after over 20 years of conducting this beloved Band which has two two-hour practices prior to two performances. Bravo!

On Wednesday, Thursday and Friday Studebaker owners who were registered to have their cars judged took their cars and trucks through the drive-through judging stations. Various meetings and seminars were held each day as well as band practice and concerts at various time. From Tuesday through Friday Studebakers were arriving either for the day or to stay for the All Brands Cruze In on Saturday.

At the membership meeting on Thursday evening, it was announced meets for the next three years are set: 2025 in Washington County, Pennsylvania, September 16-20 hosted by the Allegheny Region Chapter; 2026 in Denton, Texas and 2027 back in South Bend, Indiana. The Studebaker National Museum spoke of improvements at the museum, school attendance records set and an update on the Muppet car. Chris Collins speaking for the Studebaker National Foundation thanked the SDC members for their continued financial support over the past 20 years and reminded members \$2,000 scholarships are available for qualified students. The SDC president announced a search for a replacement for GroupWorks is underway. Then, the Harry Barnes Award honoree was announced. Harry believed strongly in giving back and for 2024 Pete Yuen was recognized for his many years of outstanding service to the SDC including most recently his Odds 'n' Ends column, sharing his knowledge and research with editors and promoting Studebakers. An SDC Service Award was given to Cindy Foust for her dedication to the club as the SDC secretary and in other capacities. Congratulations to Pete and Cindy!

The Iowa Hawkeye Chapter, the meet committee and its members are to be complimented on the great job they did in presenting a wonderful, well-organized meet, full of good activities and many opportunities to meet up and visit with long time and newly made friends. Thank you!

Malcolm Stinson, tour chairman of the Arizona State Chapter of the Antique Studebaker Club, invites members of the Grand Canyon State Chapter to join the ASC in cool Show Low.

# HANNAGAN MEADOW ASC TOUR AUGUST 22ND AND 23RD

This is a beautiful scenic tour from Show Low to a place called Hannagan Meadow Lodge just past Alpine. Plan to arrive in Show Low on August 22nd and check into the K C Motel (928-537-4433) located at 60 West Deuce of Clubs in the center of town. Mention the Antique Studebaker Club for our special rate of \$105.00 per night.

For the ones that arrive early, in the afternoon take in the Show Low Museum. It will be open and is free. You will enjoy taking this in and all they ask is a small donation to help keep the museum open.

On Friday the 23<sup>rd</sup> of August we will meet on the east side of the Hon-dah Casino located on RT260 & RT73. You will want to arrive around 09:00 AM, as we will be leaving at 09:30 sharp. We will all tour together on RT260 for a short distance then turn right on to RT273 and continue around past Big Lake and on to Alpine. There is a potty stop on this 273. At Alpine, you will continue straight on to RT191 for 22 miles to the lodge.

Here you need to let me know if you plan to join us and let me know your lunch choice. Choices are Hamburger, cheeseburger, fish & chips or pulled pork. These are \$18.95 each. Soup and salad is \$14.95. These prices also include a drink and the tip.

On the return trip just outside of Alpine we will stop at a friend's John Deere garage. Owen has agreed to open his shop for our enjoyment. I will take the lead and stop at his turnoff to guide you all in. Then stay on 260 until you get to Eagar where the road splits and you will want to take the right turn onto RT60 to Springville. In town look for the McDonald's on the corner, just behind McDonald's is the old Western Drug, you will find this interesting and this is your potty stop. After Western Drug you can take RT60 back into Show Low on the Deuce of Clubs or take RT260 back around where you started.

Once back in Show Low, and after a short nap, join us at the Cattleman's Steak House for a lovely dinner at 06:00 P M. You will find the restaurant on the corner of Duce of Clubs and White Mountain Lake Road.

Please be sure to let me know by August 16th if you plan to join us and what your lunch choice is.

Information: Malcolm Stinson at 928-368-7442 or swstudebaker@live.com

## DIVERSIFY OR DIE

### (A BRIEF HISTORY OF CORPORATE DIVERSIFICATION AT STUDEBAKER AND HOW EMPLOYEES AND CORPORATE AMERICA WERE AFFECTED)

By Dan Kuhl

This chronicle is concerned with the sad ending for some of the employees who were left with no pension when the South Bend Studebaker factory closed in 1963. Prior to 1950 no Studebaker employees were provided a retirement pension.

During its automotive history Studebaker made many attempts to improve its future success in the automobile manufacturing business. Beginning in the 1920s Studebaker's president Albert Erskine tried to improve the company's position in the marketplace by expanding the models it offered. This plan ended in bankruptcy and receivership in the early 30's. By 1939 a single new model, the Champion, was chosen to save Studebaker's future. It was a great automobile but its success was cut short by WWII and its lucrative military contracts.

After the dust had settled from the seller's market created by returning WWII vets, Studebaker again found itself looking for a way to continue as a viable auto manufacturer. As mentioned in a recent article, a 1954 merger with Packard gave Studebaker an array of models at multiple price points, to better take on the "Big Three". Soon after the merger Packard faltered, leaving Studebaker to find another avenue to success. Again, they chose a single new model to exploit, the 1959 Lark. Its success couldn't be hidden from Detroit; small cars were in and so were the cars from overseas. What to do? The New York bankers who controlled the corporation answered with one word—Diversify!!

With diversification the South Bend Studebaker plant closed its doors, leaving 6,000 hourly-paid employees with no employment. As some of you may know many of the employees were older and their only hope was a pension. For some a pension did not exist. What happened to the pension plan initiated by the company and union officials in 1950? The plan, which was quite unique, had the Studebaker company pay into it over a 30 year period. But, the South Bend factory closed its doors after 13 years. The pension account was far short of being fully funded.

According to Richard Quinn in a follow up to a 1973 *South Bend Tribune* article, Studebaker paid out pensions from 1950 through 1964. When the plan ended annuities were purchased for all those eligible for pensions. The remaining money after this purchase was distributed to employees who were not eligible for a pension. These payments were based on the length of time employed at Studebaker.

A second point of interest is found in the epilogue of *Studebaker, the Life and Death of an American Corporation*. The author, Donald T. Critchlow, contends that pension funds were short because the New York bankers decided to use pension funds to invest in acquisitions for the diversification plan. In either case not everyone who deserved a pension received one.

Ten years after the Studebaker pension debacle the federal government stepped in and passed the Employee Retirement Income Security Act (ERISA). ERISA regulates the operation of a pension plan once it has been established. It does not require employers to establish pension plans and does not require the employer to provide a minimum level of benefits. Prior to ERISA employers could end promised retirement funds with a stroke off a pen. (Author's note: Perhaps ERISA contributed to the disappearance of pension plans from Corporate America.)

Even in its death-throes Studebaker made automotive history with ERISA. Thank God that none of this had any affect on the cars and trucks we love. Note: The image is the factory the day it closed. There is no snow as in the most common view.

Scan a QR code with your smart phone to visit the Chapter web site or Facebook page.

## GRAND CANYON STATE CHAPTER STUDEBAKER DRIVERS CLUB MEMBERSHIP APPLICATION

All memberships are for one year beginning on January 1.  
**Chapter dues are \$20.00**

- I want to receive the newsletter electronically  
 I want to receive the newsletter by mail

Dues are prorated at \$1.50 per month for new members, if joining during the year. Your dues include eleven issues of the award winning *ECHO*, a Chapter roster and the best club activities throughout the year.

Membership in the Studebaker Drivers Club, Inc. is compulsory to be a member of the Grand Canyon State Chapter of SDC, Inc. **If you are not a member of SDC, add SDC dues to your chapter dues** which the treasurer will remit for you. SDC dues are \$37.00 for new members, first year only. To renew your SDC membership, add \$46.00 for 1 year, \$132.00 for 3 years or \$220.00 for 5 years. Both include *Turning Wheels* magazine and the digital *Turning Wheels*. Or \$29.00 for membership and the digital *Turning Wheels* only. Or \$15.00 for membership without any magazine.

Any questions can be directed to the address below or to Chris Collins at 602-995-2146 or [ccollinsaz@cox.net](mailto:ccollinsaz@cox.net). Please make check payable to the Grand Canyon State Chapter, SDC and send with this form to: GCSC, P. O. Box 37464 Phoenix, AZ 85069-7464.
